

MSU EDA Center for Regional and Economic Innovation

IDEAS TO INNOVATION SUBMISSIONS ARE OPEN!

Have an idea for an equitable economic development project?

Your innovative idea submission could be broad, or focused, and anonymous, if you choose.

Your topical project idea will inform our 2025 call for proposals that are most likely to create or retain jobs and/or businesses in economically distressed communities and regions of Michigan.

You may submit as many topical ideas for projects as desired.

Scan or visit our website to submit!
